

ABOUT US

In 1994, a group of citizens came together with the belief that good education is vital to the economic and social health of a community. Now, twenty five volunteers make up the REFI Board of Directors to enhance the quality of education in Rockingham County.

WHAT WE DO

Through generous community funding, REFI is able to provide innovative learning grants, scholarships, a teacher supply depot, and recognize outstanding teachers year after year. We aim to provide every RCPS student with experiences that engage and inspire them to achieve more.

SCHOLARSHIPS

MEET SKYLER.

Since she was born, Skyler loved to sing. In the past 18 years, there's never been a moment where she wasn't working on her musical talent. Unfortunately, Skyler's family has never been in a position to send her to college, despite her dream to go to college in New York City. Thanks to REFI, Skyler was sent with a full ride to her dream university, with no financial burdens on her and her family. Donations like yours can make more miracles happen, just like Skyler's.

EVENTS

“CHIP IN” GOLF TOURNAMENT

Hosted at Lakeview Golf Club, donors can buy tickets to play in a competitive golf tournament where all proceeds go to RCPS schools.

REFI'S ANNUAL EVENT

An annual dinner & live auction that contributes thousands of funds to REFI's educational efforts.

GRANTS

The Rockingham Education Foundation aims to support the professional development and classroom enrichment of teachers and staff within the district. Educators have the opportunity to submit proposals outlining how their proposed learning experiences will inspire and actively involve students in their education. These grants come in various forms, ranging from purchasing books and materials to organizing educational field trips. In the previous year, REFI awarded over \$49,000 in grants to classrooms throughout the Rockingham County area.
